

MULKI SUNDER RAM SHETTY COLLEGE, SHIRVA

Policies, Implementation and Perspective Plan

Governing Council

The college Governing Council has been guiding the institution regularly and IQAC to chalk out annual calendar of events and its implementation. The Governing council recommends the management to fill up the casual vacancies, if any, before the commencement of the academic year for both teaching as well as non-teaching staff. Governing council has given free hand to visit feeding institutions and has offered the lowest fee policy to increase students' strength. The council recommends the management to give fee concession for meritorious students. It also guides and extends helping hand to conduct students' election smoothly and democratically. Complete responsibility and hassle free environment is given by the governing council for selecting suitable and deserving students for different non government scholarships. Many philanthropists including Dr. Chandrashekar Shetty Kaup Foundation, All Cargo Logistics Ltd, Sri Rama Charitable Trust and many other individuals have been sponsoring significant amount of scholarships to students.

The governing council has been supportive in conducting university level men and women volleyball tournament in memory of the founder of institution and doyen banker late Sri Mulki Sunder Ram Shetty. The Governing council guides and monitors the college day conducted every year. It supports to conduct intercollegiate fests at PU and degree level. With the support of governing council, the institution has been conducting Add on course in *Accounting and Taxation* and Certificate Course in Communication Skills and Personality Development, Yakshagana, Music and Yoga. The College governing council approaches MSRS Alumni Association, Mumbai to sponsor mid-day meal facility and implement it successfully in the college from the last seven years. The governing council reviews academic results at the end of academic year and gives suggestions for improvements.

Perspective Plan

The institution has been striving hard to meet the observations of the Peer Team Report submitted in the year 2017. Accordingly, the Governing Council of the institution has been monitoring the initiatives taken to commence new B.C.A course from the academic year 2022-23 and the required facilities like infrastructure, appointment, lab set up and related matters.

In order to materialise the observation of the peer team, the institution has initiated the setting up of an independent Community Health Centre in the campus. Shirva is a rural panchayat village that has difficulty of many basic facilities. Medical aid during emergency is one among them. Lack of private hospitals and dearth of doctors in the Government Primary Health Centre has been bothering the people from decades. Padavu area in which the college is situated is an outskirts from the city. As a result, medical aid in times of emergency is an uphill task. The college management in order to fulfill its long cherished dream of establishing a community health centre in the campus and open its access to the public as well as its surroundings has put forth the proposal. The President of the management Sri. N Vinaya Hegde also the chancellor of prestigious Nitte University has approved the proposal and the construction is under way. This outreach activity of the college for the most basic medical need of the area has been a distinctive priority.
